How to change your email Address in the Oracle System

Presented by:

Inas Abousharkh

Senior System Administrator

I.T. Department

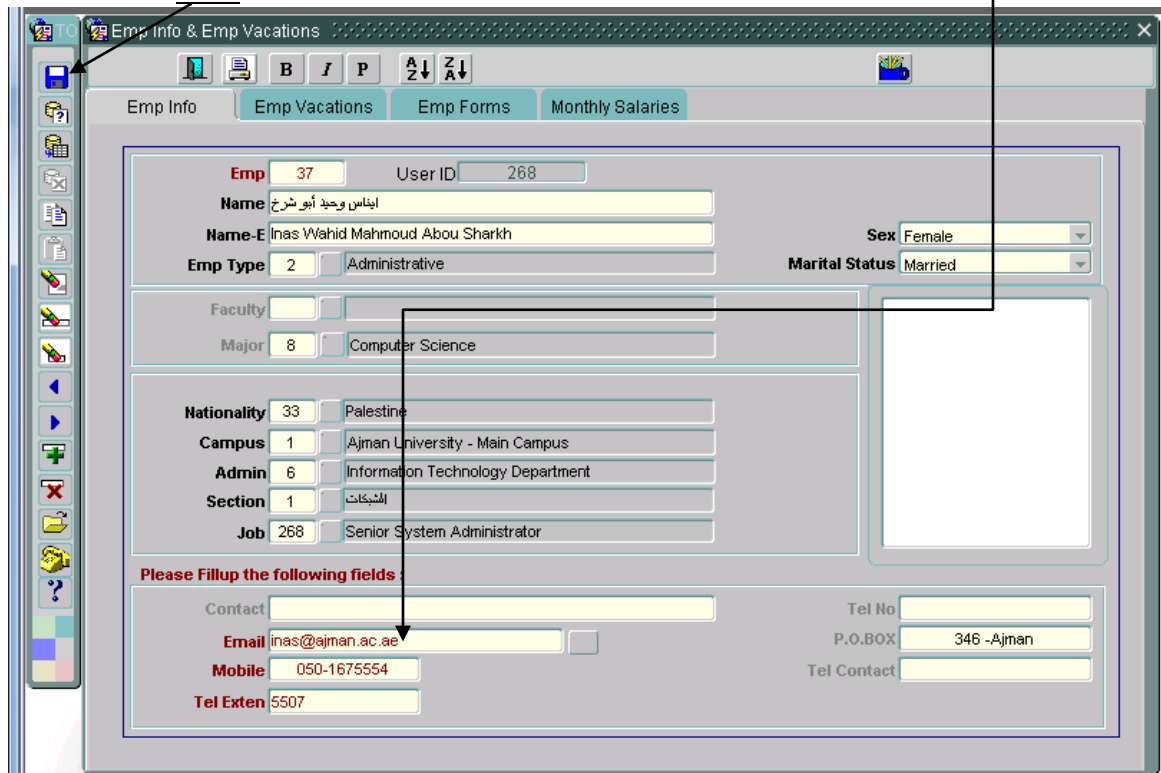

Ajman University of Science and Technology

Date: 25-04-2010

1. open the Oracle System, then type your **User ID** and **Password**, and then click on **Emp Info Screen** button

2. After a successful login, the Imp Info Window will pop up as shown in the below snapshot, please type your university email@ajman.ac.ae in the **Email field**, and then click on **Save** button

For any further clarifications, please contact Helpdesk at: +9716-7056500, or send an email to helpdesk@ajman.ac.ae
