

## Ajman University Action Plan

Based on the good practice identified by the QAA review team in QAA's International Quality Review (IQR)

(Published on September 29, 2025)

Good practice	Actions to be taken	Date for completion	Action by	Success indicators
The structured feedback mechanisms, which enable systematic assessment and continuous improvement of academic programmes that ensure both current market requirements and graduate employment outcomes inform programme development and enhancement decisions (ESG Standard 1.9)	1. Critically review the structured feedback mechanisms for systematic assessment and continuous improvement of academic programmes, identify areas of further improvement, and provide recommendations for enhancement of feedback mechanisms.	March 27, 2026	Institutional Effectiveness Committee (IEC)	Submission of a report entitled "Recommendations for Enhancement of Structured Feedback Mechanisms at AU".
	2. Implement the recommendations of IEC concerning enhanced feedback mechanisms, as determined in the above-mentioned Action 1.	August 27, 2027	College Deans and the Office of Institutional Planning and Effectiveness (OIPE)	1) All academic programs are updated based on enhanced feedback mechanisms. 2) 5% improvement in the score for Employer Feedback in Work Placements. 3) 5% improvement in the Employment Rate.
