

Policy for Academic Excellence **(For the Three Top Students)**

Three students will be selected from each college according to their academic performance at the end of every semester (Fall and Spring). These students shall be granted academic excellence discounts of 100%, 75% and 50% respectively for the next semester.

The candidates must meet the following criteria:

1. They must have completed at least 60 credit hours from their study plan, exclusively at Ajman University.
2. Candidates are selected based on their CGPA, taking into account the student is not falling behind his/her study plan;
3. In the event candidates equally meet Clause 2 above, the students with the highest number of completed credit hours shall be selected.
4. In the event the candidate students equally meet Clause 2 and Clause 3 above, selection shall be made on the basis of shortest duration of completed semesters.
5. In the event the candidate students equally meet Clauses 2, 3 and 4 above, selection shall be made based on their GPA during the last semester.
6. In the event the candidate students equally meet all clauses above, selection shall be made based on the performance percentage marks for all courses completed so far.

Important notes:

The following requirements must be met when selecting students for academic excellence discounts:

- Academic performance is assessed based on the number of credit hours completed by the candidates exclusively at Ajman University.
- The candidates should not fall behind their expected semester of graduation as per their University ID. The suspension of study for one semester is not counted as a delay of studies.
- The candidates must not have been subject to any disciplinary action throughout their period of study.
- Candidates who still have an Incomplete (I) grade shall not be considered. IP grades are not included.
- Credit hours taken during the summer session are considered part of the completed credit hours.
