## Programs Offered

- Bachelor of Dental Surgery (201 Cr. Hrs.)
- Master of Science in Restorative Dentistry (60 Cr. Hrs.)
- Master of Science in Pediatric Dentistry (67 Cr. Hrs.)
- Master of Science in Endodontics (70 Cr. Hrs.)

## Admission Requirements

### Admission Requirements for BDS

- A minimum High School Average of 85% for Advanced Track or 80% for Elite Track or an equivalent score in Standardized International Systems. General Track applicants will not be accepted.
- An Emirates Standardized Test (EmSAT) score of 1100 for English Language or an equivalent English Proficiency Test approved by the CAA.
- An EmSAT score of 800 for Arabic Language. Alternatively, international students can register for a non-credited Basic Arabic Language course at the institution.
- An EmSAT score of 900 in Mathematics or equivalent, plus scores of 900 in two of the three science subjects (Chemistry, Biology or Physics). International Students shall sit an equivalent Admission Exam designed by the College of Dentistry which includes Chemistry, Biology, Physics and Mathematics as an alternative for EmSAT.
- Passing a personal interview conducted by the College of Dentistry.
- Conditional admission will be allowed for not achieving the Arabic Language EmSAT score. However, no exemption will be granted for English Language, Mathematics and science subjects' requirements or for overall High School Certificate, as above.

### Admission Requirements for Master's of Dentistry Programs.

- A Bachelor of Dental Surgery with a minimum Cumulative Grade Point Average (CGPA) of 3.0 out of 4.0 or equivalent, awarded by an accredited institution.
- An EmSAT in English Language with a score of 1400 or an equivalent English Proficiency Test approved by MOE.
- Passing a personal interview conducted by the College of Dentistry.
- Two recommendation letters from professors who have taught the applicant in the graduate program.
- Two recommendation letters
