

## Taught Courses

<b>Ajman University, UAE</b>		<b>2017-2022</b>
Course title		Course level
Database for Management (INT300)		(BS)
Database Management Systems (INT302)		(BS)
Change Management (INS401)		(BS)
Business Intelligence and Data Warehousing (INS402)		(BS)
Enterprise Systems (INT308)		(BS)
Business Process Management (INS307)		(BS)
Database Administration (INT321)		(BS)
Fundamentals of Software Engineering (INT305)		(BS)
Systems Analysis and Design (INS305)		(BS)
Distributed and Object Databases (INT425)		(BS)
Data Structure (INT204)		(BS)
Object Oriented Programming (INT202)		(BS)
Information technology project management (INT307)		(BS)
Information Technology in Business (INT103)		(BS)
<b>Al Ain University of Science and Technology 2010-2017</b>		
Business System Analysis and Design		(BS)
Database Management Principles and Applications		(BS)
Project Management		(BS)
Introduction to programming languages		(BS)
Principles of Management Information Systems		(BS)
Business data communications and Networking		(BS)
Data warehousing and Data Mining		(MBA)
Information Technology in Business		(BS)
Web Engineering		(BS)
Knowledge Management		(BS)
Design and Analysis of Algorithm		(BS)
<b>Ajman University, UAE</b>		<b>2002-2010</b>
Programming I using C++		(BS)

Programming II using C++	(BS)
Software Engineering	(BS)
Organization of programming languages.	(BS)
Database Management Systems	(BS)
Object-Oriented Programming	(BS)
Database Design and Implementation	(BS)
Internet Programming	(BS)
E-commerce	(BS)
Information Systems for business	(BS)
Computer Application	(BS)
