**Professor or Associate Professor**

## MAIN ACTIVITIES

### PERSONAL SKILLS and competences

Acquired in the course of life and career but not necessarily covered by formal certificates and diplomas.

### LISREL

version 8.5 and 8.7 (Confirmatory factor analysis and Structure Equation Modelling);

**WINSTEPS** version 3 (Rasch analysis)

**SPAD** version 5 (Multiple analysis of correspondences);

**SPSS/Statistica** version 21 (ANOVA, Exploratory factor analysis, Regression, and descriptive analysis);

### MOTHER TONGUE

[ Arabic ]

### OTHER LANGUAGES

[ French and English]

- Reading skills
- Writing skills
- Verbal skills

Excellent for French and English language.

Excellent for French and English language.

Excellent for French and Good for the English language.

### Social skills and competences

Living and working with other people, in multicultural environments, in positions where communication is important and situations where teamwork is essential (for example, culture, and sports), etc.

I am a dynamic, active, committed, flexible and assertive person; I can integrate and explore colleagues' issues.

I am independent and self-motivated and able to work under pressure, both emotional and organizational. I like to work in a team and have been working for many years in multi-professional teams.

### Organisational skills and competences

Coordination and administration of people, projects, and budgets; at work, in voluntary work (for example, culture and sports), and at home.

[ I have been working as a co-coordinator for many years on many research projects in Egypt and France. I know how to organize and create conditions for people to work together as a team. I have good skills, and I am generally focused on pro-actively analyzing the process of service delivery.]

### Technical skills and competences

With computers, specific kinds of equipment, machinery, etc.

[Good knowledge of PC, Microsoft Office, Email, Internet, Database,... ]

Artistic skills  
and competences  
Music, writing, design, etc.  
Driving license (s)

I am a creative person in the sports field. I have been a champion of Egypt in Judo from 1980 to 1991. I spent seven years as a Judo trainer in three clubs in Cairo, Egypt. Besides, I have been a head coach of fitness in 2 gyms in Cairo in the period from 1994 to 1999).
