- Knowledge and attitude of dental health care professionals towards bisphosphonate and bisphosphonate related oral health problems in UAE. And presented it as speaker in Dental Implants conference USA, 2016
- Speaker in the International Conference of Pharmacy & Medicine (ICPM), 2019
- Speaker in International Conference on Dentistry and Integrated Medicine Theme: Accelerating Innovations & Fostering Advances in Dental Research in Japan, Osaka, 2020.
- Speaker in 4th Edition of International Conference on Dentistry and Oral Health - Paris, France, 2020.
- Speaker in 27th Global Dentists and Pediatric Dentistry Annual Meeting – London, UK, 2021.
- Speaker in 27th Global Dentists and Pediatric Dentistry Annual Meeting – London, UK, 2021.
- Oral Presentation in Dentistry and Oral Health Summit (DOHS-2021)" during April 13-14, 2021 at Las Vegas, USA (ONLINE)

#### **CERTIFICATIONS**

- MEC Certification: Obtained the Moodle Educator Certification, showcasing proficiency in educational technology.

#### **TEACHING EXPERIENCE IN UNIVERSITY**

- Exams Co-Ordinator: help in the coordination of exams for all College of Dentistry (CoD) subjects, showcasing meticulous attention to detail in the correction process for first to fifth Dental Subjects.
- Online Steering Committee Member: Represented CoD in the Online Steering Committee, demonstrating a dedication to advancing online education strategies.
- Registration and Annual Effectiveness Report: Played a pivotal role in the registration of new dental students for three consecutive years and contributed significantly to the Annual Effectiveness Report for CoD.
- Committee Membership: Engaged actively in committees such as the Care Committee, contributing to the Students at Risk action plan for spring 2023.

- Participated in workshops and obtained certifications in LATEX, SPSS, and MEC.
- International Collaboration: Pursuing a part-time MSc in Paediatric Dentistry at UCL (QS rank 8, UK), actively sharing acquired knowledge with CoD for collaborative enhancement.
- Coursera Program Administrator: Demonstrated administrative prowess as the administrator for the College of Dentistry's Coursera program.
- AUWEC Member: Active participation in AUWEC, contributing to shaping policies and initiatives within the university.
- substantial experience as a Teaching Assistant, where I actively contribute to the academic development of dental students. This includes teaching fundamental subjects in basic sciences and orchestrating engaging lab sessions. I am adept at preparing comprehensive lab materials that facilitate hands-on learning, ensuring a thorough understanding of the foundational principles in dental education.

## PROFESSIONAL RELEVANT SKILLS

- Pediatric Dentistry
- Surgical Procedures
- Endodontics
- Cosmetic Dentistry
- Teaching and Instruction
- Statistical Analysis (SPSS, GPower, CMA)
- Management of Difficult Cases, Particularly in Pediatric and Surgical Dentistry
- Research Methodology
- Lab Material Preparation

## COMPUTER SKILLS

- Proficient user of excel and moderate level ability in using SPSS and GPower
- Competent user of Microsoft office (word, Excel, Power Point), flash and movie maker, visual basic and outlook.
- Fast in typing and Internet use.
