

# TAIMOOR AHMAD

**Address** : Al Mankhool Road, Dubai, United Arab Emirates

**Phone** : +971 (0)52 1238653

**Email** : [Roomi\\_1989@ymail.com](mailto:Roomi_1989@ymail.com)

**LinkedIn** : [www.linkedin.com/in/taimoor-ahmad-4a1b2116b](http://www.linkedin.com/in/taimoor-ahmad-4a1b2116b)

## **Profile Summary:**

Highly organized and detail-oriented chemist with 10+ years of experience in Quality Control Laboratory (Injectable & Oral Products), Product Manufacturing, Industrial Processes and Inventory Management. Extensive experience in operating instruments—including UV-Vis Spectrophotometer, FTIR, HPLC, TGA Differential scanning calorimetry, Nanoparticle analyzer, Flame Photometer and other high technology lab instruments. Demonstrated success in developing SOPs and SAPs while efficiently and smoothly running chemistry laboratories. Expert ERP user with 5+ years' experience in the field. Proactive in ordering supplies and maintaining inventories. A flexible, team player and excellent interpersonal and communication skills, collaborating across departments and regulatory agencies.

## **Core Competencies:**

- Spectroscopy
- Chromatography
- Wet Chemistry
- Method Validation
- Inventory Management
- Research & Development
- Instrument Calibration & Qualification
- Microsoft Office 365

## **Career Experience:**

### **RESEARCH TECHNICIAN & CHEMICAL STOREKEEPER: March-2020 – Present**

#### **Ajman University - Ajman, United Arab Emirates**

- Carry out experiments and research projects according to protocols laid out by primary researchers
- Maintain inventory by using ERP software and coordinate with external agencies to purchase lab items
- Providing technical data to external companies for chemical disposal & renovation of Laboratories
- Active member of College Timetable Committee, Events Committee, Students Enrolment Committee, University Fire Safety Committee and Administrator of College Online Coursera Learning Program

### **EXECUTIVE QUALITY CONTROL: March-2016 – December-2019**

#### **Cirin Pharmaceuticals (ICI, Pakistan) - Haripur, Pakistan**

- Prepared standard operating procedures and standard analytical procedures
- Carried out inhouse Laboratory audits and Investigated and handled OOS/OOT
- Conducted Analytical Method Validation and Performance Qualification of instruments as per schedule
- Prepared and provided technical data to Drug Regulatory Authority and Testing Laboratory, Pakistan

**SENIOR QUALITY CONTROL ANALYST: October-2013 – February-2016**

**Shazeb Pharmaceuticals Industries Limited - Haripur, Pakistan**

- Performed physical and chemicals testing of Raw materials, finished Products and stability samples
- Conducted equipment calibrations and Performance Qualification of instruments
- Supervised and arranged internal and external trainings of Laboratory staff

**QUALITY CONTROL ANALYST: November-2011 – November-2013**

**Frontier Dextrose Limited - Haripur, Pakistan**

- Prepared reagents, and test solutions in order to conduct laboratory tests
- Carried out chemical testing of RO, DI and Water for injection (WFI) samples
- Performed chemical and physical testing of inprocess and finished Products

**Academic Credentials:**

- **Bachelor of Education: 2012**  
Hazara University, Pakistan
- **Master of Science: Chemistry - 2011**  
Hazara University, Pakistan
- **Bachelor of Science: 2009**  
Hazara University, Pakistan

**International Publications:**

- Efficient Al-doped ZnO nanostructured synthesis by laser-assisted chemical bath: structural, optical, and photocatalytic activity using blue laser irradiation.

**Trainings & Certifications:**

- Training of Highfield Level 2 International Award in Risk Assessment.
- Training of Highfield Level 2 International Award in Fire Safety.
- Certificate of Completion of Inventory Management Foundations.
- Certificate of Completion of Six Sigma White Belt.
- Certificate of Achievement of Accident Investigation Workshop.
- Certificate of Completion of Introduction to Quality Management System.
- Certificate of Completion Excel Essential Training Office 365/Microsoft 365.
- Introduction to Forensic Science from Nanyang Technological University, Singapore.
